- ⦿ **You** should check whether you need a visa here:

https://en.wikipedia.org/wiki/Visa_policy_of_Jordan

There are several types of visa: Visa on arrival, conditional visa on arrival, visit visas. Find out, which category applies to you! Hazim will prepare an invitation letter for you and the Secretary General will endorse this invitation letter from the site of the Association. Please plan two months for the visa process.

Most members can apply with an electronic visa. However, this does not apply for Nigeria and Bangladesh. In these cases, a paper form application has to be submitted! We will help you with that!
